

MOVED TO A NEW OFFICE

You can find our growing team at 20 West 38th Street.

- Spread across our **6,000 sq feet office space**
- Chatting in our **4 conference rooms**, and
- Enjoying the NYC skyline at our **new roof deck**

BUILT OUR FIELD

Our team went beyond our client work to share our knowledge.

- Celeste **gave 7 talks** sharing her expertise with urban planners, nonprofit leaders, and human service providers
- We **published 50 articles** on our blog and in national publications

ADVANCED LOCAL SOLUTIONS

The growing Public Works team is driven by impact.

- Our work **inspired a \$2M workforce investment** from the Adams administration to support the NYC Digital Games industry
- We supported the **approval of 1,400+ affordable housing units** in Astoria through community outreach for the Innovation QNS development

ADVOCATED FOR COMMUNITY VISIONS

Our project management and crisp writing skills have won prestigious awards.

- We helped **secure a \$10 million commitment** from NYSERDA's Clean Neighborhoods Challenge to bring sustainable transportation infrastructure to the Hunts Points section of the Bronx.

STRENGTHENED OUR CLIENTS' CAPACITY TO SUCCEED

As we grow, we are also growing our clients' capacity.

- **Tailored 27 tools** to improve programs and processes
- **Wrote 12 reports** summarizing findings from critical studies
- **Completed 3 business plans** to create strategies for good
- **Developed 2 proposals** with compelling arguments for innovation
- **Analyzed insights from 3,100 people in 5 languages** to craft recommendations informing critical policies, initiatives, and urban improvements.

GREW OUR NETWORK OF CHANGE MAKERS

And now, we're 25. To get here, our Operations Team...

- Reviewed **1,000+ resumes**
- Vetted **140 candidates**
- Onboarded **12 new teammates**

BROUGHT CHANGE TO MORE COMMUNITIES

Our expanding network of clients spurred our growth. In 2022, we:

- **Worked with 36 organizations** across government, nonprofit, academic, and planning sectors
- **Led 40 project engagements** between our two practice areas: Organizational Health and Community Health
- **Engaged people and communities in 30 unique neighborhoods** in cities across the U.S.

BUILT BETTER NEIGHBORHOODS

Our growth didn't change who we are at heart.

- As a team, we put **over \$10,000** towards charitable causes through donations, #PublicWorksGivesBack, and year-end profit-sharing.
